**REGULAR MEETING MINUTES**
**COLUMBIA BOARD OF SELECTMEN**
**Tuesday, December 1, 2015 - 7 pm.**
**Adella G. Urban Administrative Offices Conference Room**
**323 Route 87, Columbia, CT**

**Members Present:** First Selectman Carmen Vance; Deputy Selectman Steven Everett; Selectman William O'Brien; Selectman Robert Hellstrom; Selectman Robert Bogue.

**Also Present:** Town Administrator Natasha Nau; Cathie Rowe; Millie Ramsey; Lynn Buonocore; Paula Cahalan; Corey Sipe, reporter from *The Chronicle.*

**CALL TO ORDER:** C. Vance called the meeting to order at 7 pm.

1. **PLEDGE OF ALLEGIANCE:** The Pledge of Allegiance was recited.

2. **MINUTES: BOS 11/17/15 Minutes:** R. Bogue MOVED to approve the minutes of 11/17/15. MOTION CARRIED 5:0.

3. **AUDIENCE OF CITIZENS:** None.

4. **OLD BUSINESS:**

**4.1** **CONA:** Cathie Rowe, CONA Chairman, stated that CONA determined the numbers provided in their information packet presented to the BOS by contacting other Senior Centers in surrounding towns to compare van costs as well as the survey results. C. Rowe stated that CONA is proposing to purchase a 12 seat passenger flip-seat van. (10 non-handicapped passengers, 2 handicapped passengers). She stated that the van will cost approximately $56,000-$60,000.

C. Vance asked how CONA envisions this working and who will supervise the overall operation. C. Rowe explained that a full time Rec Director could assist as well as the Senior Center Director, with additional pay for these employees. Also, part time staff could be hired. N. Nau stated that WRTD is having problems filling driver positions and asked why this wouldn't be a problem for Columbia as well. C. Rowe stated that CONA spoke with towns that have paid drivers and they have had no problems. She stated that she is not sure why WRTD has problems finding drivers. R. Bogue asked if all van drivers would be required to hold a special license and would be paid approximately $13 per hour. C. Rowe answered yes.

N. Nau inquired about the estimated $200 for the annual repairs and maintenance of the van. C. Rowe stated a new vehicle should have a warranty therefore they do not anticipate much funding needed for repairs/maintenance. N. Nau stated that she would like clarification on whether or not the van would require a special mechanic/technician to perform the repairs/maintenance.

N. Nau asked about insurance requirements. W. O'Brien stated that liability, auto as well as workers comp insurance (for employees) would most likely be needed. N. Nau will look into insurance cost and requirements.

C. Rowe stated that the grant application isn't due until April 2016. However, there is no guarantee they will be awarded the grant. She explained that if the town is awarded the grant, a van will not be available until spring of 2017.

Maggie Ewald explained that the state purchases the van for the town and she believes that the state is responsible for the van for the first 4 years. S. Everett would like to know more about the problems that a percentage of the seniors are having with WRTD. N. Nau stated that WRTD does social rides but they are prioritized. C. Rowe stated they are not trying to get rid of WRTD by purchasing a van, they are trying to supplement. For example, pick up seniors to get to the Senior Center or get them where they need to go. C. Rowe stated that there are people in this town that need help and CONA wants to know how they can improve the quality of life for these people in town. She stated that she feels this could be a community vehicle not just utilized by seniors. C. Vance asked if sharing services with another town is a possibility. C. Rowe said yes, but Columbia has nothing to share in return. C. Rowe explained that Andover stated if Columbia were to

get a van, they would be willing to work together. N. Nau suggested attempting to partner with the town of Mansfield because from what she understands, Mansfield does not use its van often. M. Ramsey asked how it would work if Columbia were to partner with Mansfield. N. Nau stated that an agreement would have to be worked out between the two towns.

R. Bogue asked if there is a higher need for transportation for medical reasons or socialization. M. Ewald feels that medical and socialization are equally important needs for this van, because socialization is important for well being.

S. Everett thanked CONA for all of the information they provided to the Board, and explained that he feels a lot of analyzing must be done prior to making a decision. C. Vance stated that she feels that other options must be looked into such as shared services, and other items such as insurance must be looked into as well. W. O'Brien would like to make sure that the Board follows up on this item and it is placed on a meeting agenda in the near future so it is not forgotten about. The BOS was in agreement. This item will be brought back to the BOS for further discussion after more research is completed.

4.2 **Library Expansion Project Certified Payroll Services Proposal:** N. Nau explained that the town must oversee and monitor the certified payroll to be sure that the contractor does not underpay or make any errors on the payroll and is paying the prevailing wage for the subcontractors. N. Nau explained that she has been researching other avenues that may be more cost effective for the town, other than contracting with the town's engineering firm in regards to performing the certified payroll services for the Library Expansion and Renovation Project. Unfortunately, a lot of accountants do not perform these services. N. Nau stated that she has spoken with the Department of Labor and they are willing to guide her with performing the certified payroll and offered a training session so she can do the certified payroll, saving the town the cost of contracting with someone for these services. However, this would be rather time consuming for her. C. Vance stated that the contractor for the Library Expansion and Renovation Project came in under estimate, therefore funding for these services could be paid from the funding that has already been allocated for the project. The Board expressed concern in the amount of time this would take if N. Nau were to perform the certified payroll services and also expressed concern with liability to the town if something were to go wrong because she is not properly trained in this area. Discussion followed. W. O'Brien would like to see the certified payroll done by a Certified Public Accountant (CPA) or an Engineer. The BOS concurred. S. Everett MOVED to use Nathan L. Jacobson or a CPA to act as Certified Payroll Services for the Library Expansion and Renovation Project. MOTION CARRIED 5:0.

4.3 **Fracking:** N. Nau reviewed a summary memorandum she wrote discussing the two ordinances that have been adopted in the state: Coventry and Washington. N.Nau pointed out that Coventry's ordinance is slightly more restrictive in that it has a section on bid and contract provisions for infrastructure projects, which hinders the selection of contractors. DEEP has a moratorium until July 2017 and is drafting regulations. Discussion followed. The Board does not feel that this needs to be addressed in Columbia at this time. N. Nau will keep the Board updated on this item.

5. **NEW BUSINESS:**

5.1 **2016 BOS Meeting Schedule:** C. Vance MOVED to approve the 2016 BOS Meeting Schedule as presented. MOTION CARRIED 5:0.

6. **COLUMBIA LAKE / DAM / BEACH**

6.1 **Application of Jim Blair on behalf of Ronald and Sharon Young of 70 Route 87 for a new dock replacement:** C. Vance MOVED to approve the application of Jim Blair on behalf of R. and S. Young to replace the existing dock and add a new dock at 70 Route 87 contingent upon the recommendations made by LMAC. MOTION CARRIED 5:0.

7. **APPOINTMENTS / RESIGNATIONS:**

7.1 **Appointment of Bud Meyers as Clerk of the Works for the Library Expansion Project:** W. O'Brien MOVED to appoint B. Meyers as Clerk of the Works for the Library Expansion Project at a double time rate of $53.22 per hour for 5-10 hours per week. MOTION CARRIED 5:0.

8. **TOWN ADMINISTRATOR REPORT:** See report.

9. **CORRESPONDENCE:** None.

**10. BUDGET**

**10.1 Transfers:** None.

**10.2 Refunds:** R. Bogue MOVED to approve the following refunds totaling $355.48:

| AMOUNT | FROM | TO |
|---|---|---|
| $286.77 | Town of Columbia | Edward Brennan |
| $46.09 | Town of Columbia | Edward Brennan |
| $15.19 | Town of Columbia | Marc or Alyson Cranick |
| $2.00 | Town of Columbia | Mary Lou Leone |
| $5.43 | Town of Columbia | Scott Williams |

MOTION CARRIED 5:0.

**11. APPROVE PAYMENT OF BILLS:** C. Vance MOVED to approve the total payment of bills in the amount of $75,543.50 including regular bills, credit cards and paychex. MOTION CARRIED 5:0.

**12. BOARD MEMBER COMMENTS:** None.

**13. EXECUTIVE SESSION**

**13.1 Real estate per State Statutes Section 1-200(6)(D); Pending Litigation per State Statutes Section 1-200(6)(B); Personnel per State Statues Section 1-200(6)(A);** MOVED to enter into executive session at 8:28 pm with N. Nau present. Executive session ended at 8:49 pm.

**14. ADJOURNMENT:** MOTION to ADJOURN at 8:50 pm and the MOTION CARRIED UNANIMOUSLY. The next regular meeting of the BOS is schedule for Tuesday, December 15, 2015 at 7 pm.

Respectfully submitted by Kimberly A. Bona

My mom will drop off a copy of the map in the morning on her way to work.

The course starts at the parking lot at the top of rec park. Then it goes along the path all the way around the park. Then back down the parking lot turning left on Hennequin Road. Turning around at the end of Hennequin, and back to the beginning of the park. I used a google map of the park to draw the circle, and then map my runs to show the second part of the course. (map my runs does not show the loop around the park).

The alternate route (in case of snow) - start by the pavilion at Rec Park, turn left on Hennequin, turn left onto Lake, then a left onto Homestead, following it to the end. Turning around, and heading back up Homestead, turning right onto Lake, then right onto Hennequin, and back to the pavilion. This is shown on the second map my runs map.

Is there any other paperwork you need for me to present to the BOS on 12/15/15?

thanks,
Sean

Hi Sean,

Just a friendly reminder that we have you on the 12/15/15 BOS agenda for the approval of your 5K in February. Will you have a map of the route ready for the BOS packets by Friday? If so, we can keep you on. If not, I am afraid I will have to put you on the next agenda when you have the paperwork ready.

Thanks,

Hi Natasha,
I was just wondering how to get my name and the 5k I'm doing for my capstone project on the agenda for the BOS meeting on December 15th. My administrator and I can both show up that day, and we are in the process of getting the insurance and finalizing the road map now.

Thanks,
Sean E-R

Hi Sean,

Spoke with Resident State Trooper Greg DeCarli and he said all he needs from you is the date and time and he will have a patrol car there (whether he is on duty or another state trooper). Doesn't seem like he feels the need to close the road or put up signs. He is not requiring a route map.

That being said, once you have a date/time nailed down, the Town needs a route map from you as well as a Certificate of Insurance. This can usually be obtained through one of the organizer's homeowner's insurances. It will list the organization name, the event, the date and the $ amount. Typically we require at least $1,000,000. This is to cover the town in case any injuries occur during the 5K.

Please let me know if you have any questions.

Thanks,

**Subject:** Squier Pond Information

On August 25, 2015, I received a letter from DEEP notifying the Town of Columbia that as owners of the Squier Pond Dam ID# 3009, we were required to register this dam under Public Act No. 13-197 before October 15, 2015. As I was unaware that Columbia owned this dam until this notification I contacted Rob Helstrom to assist in confirmation of this dam's property ownership by performing a site walk and review of survey documents.

Upon further inspection of the dam and what purpose it served, I felt it best to contact the State Dam Safety Program Engineer, Art Christian, to determine what options the town had. Either we need to bring the dam into compliance with substantial repairs or since it no longer serves any purpose we could "breach" the dam which would not require a registration. I was informed by Mr. Christian to wait on filing our registration as the State was revising their Dam Safety Program requirements which would make the process of "breaching" the dam fall under a General Permit GP-016 thus reducing efforts to come into compliance. After my discussion with DEEP I contacted Jacobson Engineering and later met on site December 8th to determine how this "breaching" could be accomplished and what some costs would be associated with this project. I expect their report later this month and will forward this to the Town Administrator for review and discussion with the Board of Selectman.

Re: SQUIER POND DAM, COLUMBIA
DamID#: 3009 Hazard Class: A

Dear Dam Owner(s):

According to records from the Department of Energy and Environmental Protection (DEEP), you are the owner or one of the owners of SQUIER POND DAM, ID# 3009. The State of Connecticut Public Act No. 13-197, Section 4(b) requires dam owners to register their dam with DEEP on or before October 1, 2015. According to DEEP records, as of the date on this letter, your dam is not registered with DEEP. Therefore, complete and submit the form enclosed entitled "Dam Registration Form" according to its instructions.

If you are not a current owner or have sold the property, please contact us at the phone number or email address listed below. Persons selling land containing a dam are required by law to notify the Commissioner of DEEP of the sale.

If you have any questions regarding this matter please call DEEP's Dam Safety Program at 860-424-3706 or email DEEP.DamSafety@ct.gov. Additionally, please refer to www.ct.gov/deep/dams for more information on DEEP's Dam Safety Program.

Sincerely,

RE: Application for Repairing a Structure on or Over Columbia Lake
Mr. Russell Inzinga and Mr. James Quimby, 40 Sleepy Hollow Road, Columbia, CT

On December 8, 2015, Joan Inzinga submitted an application for permit, on behalf of her father, Russell Inzinga of 12 Collins Road, Columbia and James Quimby, 113 Kings Highway Road, Columbia, both owners of the subject property, to repair existing dock on their property located at 40 Sleepy Hollow Road, Columbia.

On Wednesday, December 9, 2015, Karl Then, Steve Harrington and I, representing the Lake Management Advisory Committee (LMAC), met at the subject site. The property owners have expressed a desire to make selected repairs (total of approximately 11'-7" x 4'-4" area) to the existing wooden dock. The existing dock is approximately 33'-6" long and 4'-4" wide. The condition of portions of the existing dock are not safe and require repair. The property lake frontage is approximately 20-0". The existing dock is located along the easterly property line. The subject property is a right-of-way for multiple property owners. According to the Standards for Granting Permission for the Construction of Structures on Columbia Lake (Lake Guidelines), this existing dock may be repaired in the same location, in the same configuration and of the same size.

After review, it is the recommendation of LMAC to the Board of Selectmen that this permit be approved with the following conditions:

1. All work will be accomplished after Lake Drawdown on beginning November 1, 2015 and be completed prior to the lake re-filling March 15, 2016.
2. No machinery or power equipment will be allowed on the lake bed.
3. The applicant will insure construction of the new docks will be of sound materials and shall not adversely affect the quality of the Lake water or aquatic life.
4. Disturbance to the lakebed will be confined to reasonable construction to establish new footings for support posts. No grading or significant excavation shall be allowed.
5. The applicant is urged to consider the use of materials other than pressure treated wood as the primary construction material.
6. Any painting or staining of materials will require drop-clothes below to protect the lake bed.

Your consideration in this manner is appreciated.

Respectfully Submitted;

RE: Application for Replacement of a Structure on or Over Columbia Lake
Mr. and Mrs. James Mulligan, 9 Nuhfer Drive, Columbia, CT

On December 9, 2015, Gayle and James Mulligan of 9 Nuhfer Drive, Columbia submitted an application for permit seeking to replace their existing seawall at that location.

On Saturday, December 12, 2015, Karl Then, Steve Harrington and I, representing the Lake Management Advisory Committee (LMAC), met at the subject site. The existing concrete seawall is cracked in many places and requires replacement. The property owners have expressed a desire to replace the existing concrete seawall with a pre-cast concrete block seawall. The proposed type of material and construction is similar to that which was used last year in the construction of a seawall at the Town-owned beach property adjacent to the boathouse. The existing poured-in-place concrete seawall is located along the western property line. The proposed pre-cast concrete block seawall would be constructed in the same location as the existing seawall along the lake front property line in its entirety. The new seawall would be approximately 80 long by 6 feet high. The individual pre-cast concrete blocks are approximately 4 feet long, 2 feet high and 2 feet wide. A 4 foot wide pre-cast concrete stair, located in the middle of the property line, is also proposed to be constructed. The proposed plans indicate the new seawall to be 6 feet above the lake bed. This would be approximately 3 to 3-1/ feet above the existing sea wall. I spoke with the applicant, Gayle Mulligan, and she indicated a willingness to have the new seawall built to the same dimensions as the existing sea wall. According to the Standards for Granting Permission for the Construction of Structures on Columbia Lake (Lake Guidelines), the existing seawall may be replaced in the same location, in the same configuration and of the same size.

After review, it is the recommendation of LMAC to the Board of Selectmen that this permit be approved with the following conditions:

1. All work will be accomplished after Lake Drawdown on beginning November 1, 2015 and be completed prior to the lake re-filling March 15, 2016.
2. No machinery or power equipment will be allowed on the lake bed.
3. No materials will be placed on, added to or removed from the lakebed.
4. The applicant will insure construction of the new seawall will be of sound materials and shall not adversely affect the quality of the Lake water or aquatic life.
5. Disturbance to the lakebed will be confined to reasonable construction to establish new footings for the seawall. No grading or significant excavation shall be allowed.
6. The new seawall will be between 3 and 3.5 feet high above the lake bed and will be the same height as the existing seawall. The height of the north and south ends of the proposed seawall will match the height of the adjacent property owner's sea walls.

Your consideration in this manner is appreciated.

**Date:** December 4, 2015
**Re:** December 15, 2015 BOS Meeting

---

**Appointment**

Stephen Postemsky just recently completed and passed the required fire investigation module. He has yet to receive his certificate. Steve needs to be appointed so he can get credit for his required training hours and to be recognized by the state to do fire investigation. Even though he is certified, he cannot act/work unless he is in an official capacity. There would be no additional costs to the Town; Steve would not be put on the payroll. Jim Rupert would continue as the Deputy Fire Marshal, until Steve completes the Code Section Module. At that time, Steve will become the Deputy and Jim will resign.

Dear John,

On behalf of the Board of Selectmen and town residents, I wish to thank the Columbia Volunteer Fire Department members for their generous contribution to our families in need. The gift certificates from Teds for both the Thanksgiving and Christmas baskets go a long way in making both holidays brighter for these families.

Please extend our appreciation to your membership.

Sincerely,
