Old Business:

The commission discussed the value in keeping WRTD and supplementing their service with a town owned van. It was clear that a van would fill in huge gaps in service that WRTD does not cover.

Further discussion ensued about completing packets for the next Board of Selectmen's meeting on December 1, 2015. Carmen Vance sent a list of questions to be addressed by the commission. Each question was discussed and the information required was culled from previous surveys, packets from neighboring towns, DATA from the University of Connecticut and information from the WRTD.

There was no new business

Meeting adjourned 10:35

Respectfully submitted,

Catherine Rowe
