Thursday October 15, 2015

The meeting was called to order by Chairperson Ann Dunnack at 8:05 AM.

Present: Ann Dunnack, Chris Tolsdorf, Joan Hill, Shirley King, Don Schofield, Paul Ramsey

Approval of September minutes

Audience of citizens: Natasha Nau

Old Business:

Ms Nau reported that all the Oberlander family members have been found and the family is negotiating with themselves in order to get back to the town.

New Business:

Joan showed her power point that we will use to meet with FIPAC on November 18. This will be presented by Chris as a means to inform the committee on the mission of Open Space and the benefits this mission affords the town. We will be presenting to FIPAC for the purpose of educating them to our purpose and the rationale for purchasing open space properties. The town's long term plan document supports open space and this development avoidance saves money for the town in the long run.

Paul brought up the issue of the Lucarelli property being on the market. He will email everyone the asking price and Ann will research the appraisal. We discussed making this property our #1 priority if it is still available.

Meeting adjourned at 8:55 AM
