RE: Adopted Fiscal Year 2022-2023 Annual Town Budget.

This packet constitutes the Adopted Annual Town Budget for Fiscal Year 2022-2023 for the Board of Selectmen (BOS) and the Board of Education (BOE), respectively. For summary purposes, the budget can be segmented as follows: Resources, Requirements, and Mill Rate.

RESOURCES

Projected General Fund revenues for FY '22-'23, other than new/current property taxes to be raised, total \$3,062,957 which is an increase of \$154,587 or 5.32% from FY '21-'22. As shown in detail on pages 23 through 25 of this budget packet, several revenue line items for FY '22-'23 are projected to increase, decrease or go unchanged. Based on the estimated state municipal aid for FY '22-'23, the following intergovernmental revenue line items stand out. The BOS anticipates receiving the following state funding: \$2,316,189 in ECS funding (\$60,554 increase from FY'21-'22 which is based on a new formula announced by the State), \$50,000 in Special Education Excess Cost Grant (\$15,000 increase), no funding for School Transportation (continuing non-funding by the state), no funding for Circuit Breaker Elderly Tax Relief (a cost that the town must absorb in its budget), no funding for Municipal Revenue Sharing funds (no change from FY'21-'22), \$26,763 for Municipal Projects Grant (no change from FY'21-'22), \$28,393 for Municipal Stabilization Grant (no change from FY'21-'22), and \$6,366 in PILOT-State Owned Property Grant (no change from FY'21-'22 based on new tiered formula set by the State), \$4,587 in Pequot-Mohegan Grant (no change from FY'21-'22). The new LoCIP entitlement for FY '22-'23 is projected to be \$39,113 plus the Town has a LoCIP balance for FY '21-'22 totaling \$78,226. The Town will apply for these funds with an applicable capital project. Anticipated funding from the State of Connecticut could change during the review of the Governor's budget proposal. The approved intergovernmental revenue budget is based on the latest information received from the state as of December 8, 2021.

As part of this packet, page 26 details the Federal and State Grant funding that the BOE receives. These grants are included in the overall BOE Budget and are **not** part of the adopted FY '22-'23 Town Allocation requested by the BOE. The adopted budget also includes the ESSER grant funding for COVID relief.

Aside from the General Fund revenues, the BOS budget calls for the utilization of \$205,292 in Town Aid Road (TAR) to fund Road projects budgeted in the Capital projects. The TAR funds will be from a reserve of TAR funds that the Town has plus the new allocation from the state of \$205,232. The estimated Undesignated Fund Balance is projected to be \$4,598,320 as of 06/30/2022 as shown on page 30 and 31 of this budget packet. The estimated Undesignated Fund Balance of \$4,598,320 as of 07/01/22 is equal to 24.85% of the FY '22-'23 proposed General Fund Budgetary Requirements. The Adopted Budget includes the use of General Funds totaling \$695,756 for FY '22-'23 in order to reduce the Mill Rate further after taking into consideration the results of the Revaluation.

With respect to new/current property taxes, the BOS proposed budget requires \$14,750,844 to be collected in FY '22-'23 with the consideration of using \$695,756 of the General Fund to reduce any Mill Rate impact based on the adopted budget. The adopted property tax revenue requirement represents an increase of \$403,094 or 2.8% from FY'21-'22. The Grand List growth of \$83,188,251 or 16.58% assisted to offset any potential impact of an increase in property taxes. This growth is based on the results of the Town Revaluation that was completed this year on the 2021 Grand List.

REQUIREMENTS

The adopted BOS Operating Budget for FY '22-'23 is \$4,733,084. That is an increase of \$342,192 or 7.79% over the amount adopted for FY '21-'22. The adopted BOS budget includes no increase in Contingency and maintains it at \$78,000. This is approximately 1.65% of the adopted FY '22-'23 BOS Operating Budget. The Town Charter allows a 2 % of the Annual Town Budget maximum. The adopted FY '22-'23 Capital Budget appropriations for the BOS and the BOE totals \$983,932. That is an overall increase of \$313,349 or 46.73% from FY '21-'22. Each of the adopted capital budget lines are listed on page 27 of this document. Some of the capital project increases include the Road Projects, Public Works equipment, Transfer Station repairs/upgrades and CVFD Requests. The three small decreases in the adopted capital projects are the closing out of 3 projects that are completed or are no longer needed: Pucker Street Bridge, IT Equipment and Facilities Equipment. Other aspects of the adopted capital projects include adding to current funding of planned projects; such as, the Hunt Road Box Culvert replacement, Hop River Bridge Replacement, HVAC fund and Hazardous Tree Removal. Finally, the adopted FY '22-'23 BOS Debt Service Budget is a zero budget. The final debt service payment for the scheduled principal and interest was paid off in early June 2021 and the Town is currently debt free.

The adopted BOE Operating Budget for FY '22-'23 has a Town budgeted allocation of \$12,883,942 which is a zero increase from FY '21-'22 . The adopted BOE FY '22-'23 town allocated budget is inline with the Minimum Budget Requirements mandated by the state.

Please note that the following adopted BOS and BOE budget items impacted this budget process. The Town recently completed its Revaluation process which as noted above resulted in a 16.58% increase in the Grand List that impacted the adopted Mill Rate calculation on page 31. The FY '22-'23 healthcare plan for employee benefits was pending final premium rates as of the budget adoption. Currently, the proposed increase is 8%. Also, pending as of this budget adoption are the fuel rates for oil, diesel and gasoline . With the volatility of the market due to current world events, the BOS is waiting to lock into a contract with the current vendor until the rates settle and are in a better position.

MILL RATE

The adopted budget is showing a Mill Rate of **25.87** for FY '22-'23 which is a decrease of 3.46 mills or 11.81%. The adopted mill rate took into consideration the use of \$695,756 from the General Fund as well as the recently completed Revaluation. The FY '22-'23 Mill Rate of **25.87** was set by FiPAC after the Annual Town Meeting on May 10, 2022. With the adopted FY '22-'23 Mill Rate, a town assessed property may experienced a property tax change this year based on the change in their property assessment due to the Revaluation as well as the lower proposed Mill Rate. In FY '22-'23, each mill is projected to generate \$570,292 of revenue; compared to \$489,183 in FY '21-'22.

The adopted FY '22-'23 tax collection rate is 97.5%. The projected tax collection rate for FY '21-'22 is approximately 98.6%. The tax collection rate for FY '20-'21 is 99.0%. The historical collection rates are as follows: 98.83% for '19-'20, 98.8% for FY '18-'19, 99.25% for FY '17-'18 (tax sale held in '17-'18), 98.36% for '16-'17 , 98.76% for '15-'16 (tax sale held in '15-'16) and 98.88% for FY '14-'15 (tax sale held in '14-'15).
