RE: **Proposed Fiscal Year 2024-2025 Annual Town Budget**

This packet constitutes the Proposed Annual Town Budget for Fiscal Year 2024-2025 for the Board of Selectmen (BOS) and the Board of Education (BOE), respectively. For summary purposes, the budget can be segmented as follows: Resources, Requirements, and Mill Rate.

RESOURCES

The proposed budget for the General Fund revenues for FY '24-'25, other than new/current property taxes to be raised, total \$3,343,927 which is an increase of \$203,618 or 6.48% from FY '23-'24. As shown in detail on pages 23 through 25 of this budget packet, several revenue line items for FY '24-'25 are projected to increase, decrease or go unchanged. Based on the estimated state municipal aid for FY '24-'25, the following intergovernmental revenue line items stand out. The BOS anticipates receiving the following state funding: \$2,316,189 in ECS funding (\$75,830 increase from FY'23-'24), \$75,000 in Special Education Excess Cost Grant (\$37,000 decrease from FY'23-'24), no funding for School Transportation (continuing non-funding by the state), no funding for Circuit Breaker Elderly Tax Relief (a cost that the town must absorb in its budget), no funding for Municipal Revenue Sharing funds (no change from FY'23-'24), \$26,763 for Municipal Projects Grant (no change from FY'23-'24), \$28,393 for Supplemental Revenues Sharing (formerly called Municipal Stabilization Grant; no change from FY'23-'24), and \$7,406 in PILOT-State Owned Property Grant (\$528 increase from FY'23-'24), \$4,587 in Pequot-Mohegan Grant (no change from FY'23-'24). The new LoCIP entitlement for FY '24-'25 is projected to be \$57,760 plus the Town has a LoCIP entitlement balance for FY '23-'24 totaling \$155,509. The Town is opting to not apply for any LoCIP funds in FY'23-'24 and will apply for these funds with an applicable capital project in FY '24-'25. Anticipated funding from the State of Connecticut may change during the review of the Governor's budget. The approved intergovernmental revenue budget is based on the latest information received from the State as of February 4, 2024.

As part of this packet, page 26 details the Federal and State Grant funding that the BOE receives. These grants are included in the overall BOE Budget and are **not** part of the proposed FY '24-'25 Town Allocation requested by the BOE.

Aside from the General Fund revenues, the BOS proposed budget calls for the utilization of \$203,675 in Town Aid Road (TAR) to fund Road projects budgeted in the Capital projects. The TAR funds will be the new allocation from the state for FY '24-'25. The estimated Undesignated Fund Balance is projected to be \$3,714,157 as of 06/30/2024 as shown on page 30 and 31 of this budget packet. The estimated Undesignated Fund Balance of \$3,714,157 as of 07/01/23 is equal to 18.49% of the FY '24-'25 proposed General Fund Budgetary Requirements. The proposed Budget does not include the use of any funds from the General Funds for FY '24-'25 in order to offset any Mill Rate increase.

With respect to new/current property taxes, the BOS adopted budget requires \$16,747,570 to be collected in FY '24-'25 without the consideration of using any funds from the General Fund to minimize the Mill Rate impact on the proposed budget. The proposed property tax revenue requirement represents an increase of \$1634,424 or 10.8% from FY'23-'24. The 2023 Grand List had a reduction of \$1,185,235 or -.20% which will have a potential impact on the property taxes that the Town will need to collect as well as on the Mill Rate. This decrease is based on the results of the recent review of the Town's assessed values when calculating the 2023 Grand List.

REQUIREMENTS

The proposed BOS Operating Budget for FY '24-'25 is \$5,353,137. That is an increase of \$324,316 or 6.45% over the amount adopted for FY '23-'24. The proposed BOS budget includes no increase in Contingency and maintains it at \$78,000. This is approximately 1.46% of the proposed FY '24-'25 BOS Operating Budget. The Town Charter allows a 2 % of the Annual Town Budget maximum. The proposed FY '24-'25 Capital Budget appropriations for the BOS and the BOE totals \$955,330. That is an overall decrease of \$89,557 or -8.57% from FY '23-'24. Each of the proposed capital budget lines are listed on page 27 of this document. Some of the capital project increases include the Road Projects, Box Culvert Repairs/Replacement, Public Works equipment, and CVFD Requests. The decreases in the proposed capital projects are the closing out of projects that are either completed, no longer needed or postponed: Hennequin Road Drainage, Latham Hill Bridge, HWP Security Project, HWP Ceiling Tile Replacement and HWP Asbestos Removal. Other aspects of the proposed capital projects include adding to current funding of planned projects; such as, funding for next Revaluation, HVAC fund, Dam Gate Repairs, Hazardous Tree Removal and a Senior Center project. The BOE has proposed capital funding requests for FY '24-'25: new Kitchen Equipment, Drainage Project and Fencing. Finally, the proposed FY '24-'25 BOS Debt Service Budget is a zero budget. The final debt service payment for the scheduled principal and interest was paid off in early June 2021 and the Town is currently debt free. The proposed budget does not include any potential debt for any proposed or existing projects.

The proposed BOE Operating Budget for FY '24-'25 has a Town budgeted allocation of \$14,009,766 which is an increase of \$395,004 or 2.9% from FY '23-'24. The proposed BOE FY '24-'25 town allocated budget is inline with the Minimum Budget Requirements mandated by the state.

Please note that the following BOS and BOE budget items impacted this budget process. The FY '24-'25 healthcare plan for employee benefits increase was budgeted in consideration of a 2.0% increase. Also, the Town has locked in the fuel rates for oil, diesel and gasoline. Currently, the Town is locked in a contract which will expire October 31, 2024 and has renegotiated the contract effective November 1, 2024. The Town is also reviewing the long term capital plan in regards to concerns with culverts and road conditions as well as is waiting for a decision on the HWP HVAC improvement grant submission.

MILL RATE

The proposed budget is currently showing a Mill Rate of **28.77** for FY '24-'25 which is an increase of 2.86 mills or 11.03%. The proposed mill rate does not take into consideration the use of any funds from the General Fund. The FY '23-'24 Mill Rate of **25.91** was set by FiPAC after the Annual Town Meeting on May 9, 2023. With the proposed FY '24-'25 Mill Rate, a town assessed property may also experience a property tax change this year if there are any changes in their property assessment during the year. For the FY '24-'25, each mill is projected to generate \$582,197 of revenue; compared to \$583,359 in FY '23-'24.

The proposed FY '24-'25 tax collection rate is 98.0%. which is the same as the collection rate for FY '23-'24. This is based on the history of the Town's property tax collection. The tax collection rate for FY '23-'24 is approximately 99%. The tax collection rate for FY '22-'23 is 99.0% (which includes a tax sale in the spring of 2023). The historical collection rates are as follows: 99.0% for '20-'21, 99.0 % for '20-'21, 98.83% for '19-'20, 98.8% for FY '18-'19, 99.25% for FY '17-'18 (tax sale held in '17-'18), 98.36% for '16-'17 , and 98.76% for '15-'16 (tax sale held in '15-'16).

Upcoming Meetings:

- Wednesday, April 24** - Public Hearing on the proposed 24/25 Budget with FiPAC meeting to follow, Yeomans Hall, 7:00pm.
- Tuesday, May 14** - Annual Town Budget Meeting with Budget Vote and possibly a FiPAC meeting to follow, Yeomans Hall, 7:00pm.
