[HISTORY: Adopted by the Town Meeting of the Town of Columbia 4-5-2005; amended by the Board of Selectmen 12-16-2014. Subsequent amendments noted where applicable.]

§ 25-1. Citation Officer; serving citations. [Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I)]

Any official authorized by law to issue citations for violations of ordinances or regulations of the Town of Columbia ("Citation Officer"), including but not limited to the Zoning Enforcement Officer ("ZEO") or Deputy Zoning Enforcement Officer ("DZEO") for violations of the Zoning Regulations and the Blight Enforcement Officer for violations of Chapter 224, Article I, Blighted Premises, of the Town Code, is authorized to issue citations for violations of the respective regulations or ordinances to the extent and in the manner provided by this chapter. Any such citation shall be served on a form designed for this use and may be served either by hand delivery or sent by certified mail, return receipt requested, to the person named in such citation. If the person named in a citation sent by mail refuses to accept such mail, the citation may be sent then by regular mail. The Citation Officer shall file and retain an original or certified copy of the citation.

§ 25-2. Violations subject to citation.

The citation may be issued for any violations of the Town of Columbia regulations or ordinances in force as of the date of the citation.

§ 25-3. Fine for noncompliance. [Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I)]

Unless the agency which adopted the regulation or ordinance that is the subject of the citation establishes a lesser amount for the fine for each such citation in its written procedures, such fine shall be \$250 for each day of the continuation of noncompliance and shall be payable to the Treasurer of the Town of Columbia.

§ 25-4. Time frame for payment.

Any person receiving such a citation shall be allowed a period of 30 calendar days from his or her receipt of the citation to make an uncontested payment of the fine specified in the citation to the Treasurer. If the citation has been sent by regular mail pursuant to the provisions of § 25-1 of this chapter, the day of receipt of the citation shall be deemed to be four calendar days after the day of mailing of the citation.

§ 25-5. Notice on failure to pay fine.

If a person who has been issued a citation does not make uncontested payment of the fine specified in the citation to the Treasurer within the time allowed under § 25-4 of this chapter, the Citation Officer shall send a notice to the person cited, within 12 months of the end of such uncontested payment period, informing such person:

- A. Of the allegations against him or her and the amount of the fine;
- B. That the person cited may contest liability before a hearing officer appointed by the Board of Selectmen pursuant to § 25-6 of this chapter, by delivering, in person or by mail, within 10 days of the date of the notice, a written demand for a hearing;
- C. That if the person cited does not demand such a hearing, an assessment and judgment shall be entered against him or her; and
- D. That such judgment may issue without further notice.

§ 25-6. Hearing Officer. [Amended at time of adoption of Code (see Ch. 1, General Provisions, Art. I)]

The Board of Selectmen shall appoint one or more citation Hearing Officers to conduct the hearings as necessary and described in Connecticut General Statutes § 7-152c or as amended from time to time by the General Assembly. Neither any Citation Officer, the Building Official, nor any employee or member of any other board or commission that promulgated the regulations or ordinance at issue in the citation within the Town may be appointed as a Hearing Officer.

§ 25-7. Payment of fine after notice.

If the person who is sent notice pursuant to § 25-5 of this chapter wishes to admit liability for any alleged violation, he or she may, without requesting a hearing, pay the full amount of the fine, either in person or by mail, to the Citation Officer. All fines shall be made payable to the Treasurer of the Town of Columbia. Such payment shall be inadmissible in any proceedings, civil or criminal, to establish the conduct of such person or other person making the payment. Any person who does not deliver or mail written demand for a hearing within 10 days of the date of the first notice described in § 25-5 of this chapter shall be deemed to have admitted liability, and the Citation Officer shall certify to the Hearing Officer that such person has failed to respond. The Hearing Officer shall thereupon enter and assess the fines provided for by this chapter and shall follow the procedures set forth in § 25-9 of this chapter.

§ 25-8. Hearing procedure.

Any person who requests a hearing shall be given a written notice of the date, time and place for the hearing. Such hearing shall be held not less than 15 days nor more than 30 days from the date of the mailing of notice, provided that the Hearing Officer shall grant upon good cause shown any reasonable request by an interested party for postponement or continuance. An original, certified copy of the initial notice of violation issued by the issuing official shall be filed and retained by the Town and shall be deemed to be a business record within the scope of § 52-180 of the Connecticut General Statutes and shall be evidence of the facts contained therein.

- A. The presence of the Citation Officer who issued the citation shall be required at the hearing if requested by the person who was issued the citation.
- B. A person wishing to contest his or her liability shall appear at the hearing and may present evidence on his or her behalf. The Citation Officer, or his designee (who may be any municipal official other than the Hearing Officer), may present evidence on behalf of the Town. If the person who received the citation fails to appear, the Hearing Officer may enter an assessment by default against him or her upon a finding of proper notice and liability under the applicable provisions of the regulations or ordinance. The Hearing Officer may accept written information by mail from the person who received the citation and may determine thereby that the appearance of such person is unnecessary. The Hearing Officer shall conduct the hearing in the order and form and with such methods of proof as he or she deems fair and appropriate. The rules regarding the admissibility of evidence shall not be strictly applied, but all testimony shall be given under oath or affirmation.
- C. The Hearing Officer shall announce his or her decision at the end of the hearing. If the Hearing Officer determines that the person who received the citation is not liable, the Hearing Officer shall dismiss the matter and enter his or her determination, in writing, accordingly. If the Hearing Officer determines that the person who received the citation is liable for the violation, the Hearing Officer shall forthwith enter and assess the fines against such person as provided by this chapter.

§ 25-9. Assessment notice.

If such assessment is not paid on the date of its entry, the Hearing Officer shall send, by first-class mail, an assessment notice to the person who has been found liable and shall file, not less than 30 days nor more than 12 months after such mailing, a certified copy of the assessment notice with the Clerk of the Superior Court for the geographical area in which the Town is located together with the applicable entry fee. The certified copy of said assessment shall constitute a record of assessment. Within any twelve-month period, one or more assessments against the same individual may be accrued and filed as one record of assessment.

§ 25-10. Entry of judgment.

The Clerk of the Superior Court shall enter a judgment in the amount of the record of assessment and court costs of \$8 against the cited individual in favor of the Town of

Columbia. The Hearing Officer's assessment, when so entered as a judgment, shall have the effect of a civil money judgment, and a levy of execution of such judgment may issue without further notice to such individual.

§ 25-11. Appeal.

Pursuant to § 7-152c(g) of the Connecticut General Statutes, as the same may be amended from time to time, the individual against whom an assessment is entered is entitled to judicial review by way of appeal. The appeal must be instituted in the manner and within the time periods provided by the § 7-152c(g) of the Connecticut General Statutes, as the same may be amended from time to time, or pursuant to the rules of the Judges of the Superior Court.

Commencing at the westerly corner of said Green the first Bound is located on the line of land owned by Frederick A. Hunt and opposite to the southerly corner of the land of Mrs. Jerusha C. Williams on the opposite side of the highway leading to Andover, and thence southerly by the land of said Hunt as marked at present by a stone well and by the Burying Ground Land, and then by land of the Columbia Free Library Association to the eastern corner of said Association land, and a northerly corner of land in the tenure of Mrs. Mary B. Williams, a distance of 35 rods where is located Bound No. 11, thence at right angles by land of said Williams and crossing the highway leading to Andover a distance of 5 rods and 17 links to Bound No. 1, the point of commencing.

The bounds mentioned in this record are short stone posts set about 3 feet into the earth and the tops level with the ground.

(To correct an error in the location of Bound No. 11 in the above description, it was voted in the Town Meeting held March 2, 1957, to relocate said Bound No. 11 by moving it not more than three feet southeasterly along the line of the Green, as recorded in the Land Record Vol. 12, Page 138.)

Right to Farm
[Adopted 9-29-2009 ATM]

The Town officially recognizes the importance of farming to its rural quality of life, heritage, public health, scenic vistas, tax base, wetlands and wildlife, and local economy. This Right to Farm article encourages the pursuit of agriculture, promotes agriculture-based economic opportunities, and protects farmland within Columbia by allowing agricultural uses and related activities to function with minimal conflict with abutters and Town agencies.
- B. It is the declared policy of the Town of Columbia to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food and other agricultural products and for its natural and ecological value. It is hereby further determined that whatever impact may be caused to others through generally accepted agricultural practices, such impact is offset and ameliorated by the benefits of farming to the neighborhood, community and society in general.

Agricultural operations may occur any day or night, provided such activities do not

violate applicable health, safety, fire, zoning, wetlands, life safety, environmental or building codes and regulations and shall include, without limitation:

- (1) The incidental noise from livestock or farm equipment used in generally acceptable farming practices;

The governing body of the Town of Columbia declares there is a shortage of safe or sanitary dwellings in this municipality available to low-income families at rentals they can afford and there is a need for, and it is desirable and in the public interest for, the Assessor's Office to process applications for a program of rental housing assistance under Section 8 of Title 11 of the United States Housing and Community Development Act of 1974 (Public Law 93-383)¹ and in accordance with § 8-120 and Chapters 128, 129 and 133 of the Connecticut General Statutes, as amended. We hereby approve the processing of applications for the said rental assistance program in this municipality through the Assessor's Office. Further, the Szegda Farm Management Plan shall provide that it is to be construed in a manner consistent with the provisions of the easement and this chapter.

AGREEMENTS**

Agreement as to the Location of a Part of the Columbia-Lebanon Boundary Line - 1805

Whereas the Towns of Lebanon and Columbia have had a dispute relative to the dividing line between said Towns, viz:

From a Chestnut Tree on Chestnut Hill (so-called) to Hebron Town line; the same begin (sic) very indefinitely expressed in all the Acts and Votes that can be found respecting said line, and the said Towns by their Agents having chosen and agreed upon us the Subscribers to hear and determine said dispute and to ascertain the Place where said dividing line shall run from said Chestnut Tree, and we having met the Parties at the house of Captain Asa Torrey in Lebanon on the 11th day of March, 1805, and heard them at large in the matter submitted to us and considered thereof, do award and determine that said line shall extend from said Tree Southwardly to a heap of stones on the Five Mile Line, so-called standing the east side of a road leading from S. Bliss's to James Pinneo, Esq's dwelling house, from thence Southwesterly to a large rock called Five Mile Rock supposed to be a few rods Northwardly of said Five Mile Line, and from thence Westwardly to a brook called Root's Mill Brook at the place where the said Brook intersects the line formerly between Lebanon and Hebron, which shall, in future be the Northwest Corner bound of Lebanon and the Southwest corner bound of said Columbia.

COLUMBIA CODE

**Agreement as to Location of the Columbia-Andover Lines
Columbia Land Records Book 15, Pages 197-200**

As there were no records of the dividing lines between the Towns of Andover and Columbia to be found, the Selectmen of the Towns concluded to survey the lines and remark with stones or monuments as required by Section 910 of the General Statutes of Connecticut, and to have a record of their doings made in each Town.

After several efforts to find the old corner and angular bounds by going over the supposed lines between Andover and Columbia, Columbia and Hebron and Hebron and Andover, a Point was agreed upon as the corner of the three Towns.

It is generally believed that the old bound at this place had been removed and the ground plowed a number of years ago. As other bounds beside this along the Andover-Columbia line had been lost, there was a great difficulty in finding the angular bound East or Northeast of the (so-called) Bill Road. Again, instead of finding that Andover, Columbia and Coventry corner at the same point, it was found that Hop River is the line between Columbia and Coventry, and therefore the Northeast corner of Columbia must be in the middle of the river, while the Southeast corner of Andover joins the Town of Coventry on the bank of the river at a large White Oak Tree 41.6 feet from the edge of the water at the Southerly bank of the river, a few rods upstream from the bridge (usually known as Parker's Bridge.)

Having thus found or agreed upon the corners of Andover and Columbia, and the angular bound between, we proceeded to survey as follows, viz:

Beginning at the newly marked corner of the Towns of Andover, Columbia and Hebron, on land of Mrs. Eila M. Hutchinson, then N. 34d 48'E. 83.5 feet, we came to a wall at the pasture of Mrs. Elia M. Hutchinson, and at 543.6 feet crossed a wall on to land of Nelson Gilman, then at 812.8 feet we crossed an old wall, and at 831 feet we placed the First (intermediate) Bound, then at 838.3 feet we crossed a wall into a mowing lot, then at 1505 feet we crossed a wall, at 1519.5 feet we crossed a wall, at 1541 feet we crossed another, and at 1923.5 feet we crossed the wall on the West side of the West Street Road, and the middle of the road at 1944.5 feet and at 1961 feet we set the Second Bound, then crossed the wall at 1963.5 feet on the East side of the road, on to land of Edwin L. Hutchinson, then at 2931.6 feet we crossed a brook, at 3281 feet we placed the Third Bound, then at 3751.2 feet we crossed a wall into an old lane, and at 3780 feet we crossed a wall out of the lane, then another wall at 3944.5 feet, and at 4026.6 feet we crossed the wall on the West side of the Bill Road, and at 4056 we set the Fourth Bound on the East side of the traveled path, then we crossed the wall on the East side of the road at 4059.7 feet onto land of John Miller then the corner of a wall on the West side of an old lane at 4361 feet, and at 4411 feet another wall corner on the East side of the lane, then another wall at 4912 feet an old wall at 5122.4 feet and came to the angle where we placed the Fifth Bound by the side of the old one, at a distance from Hebron corner of 6228.2 feet or 316 rods, 21 links. Here, we turned an angle of 9d 15' E. to a course of -N.44d 3' E., then we crossed an old wall at 174 feet, a cart path at 421 feet, another cart path at 619.5 feet, and still another cart path at 655 feet, and placed a sixth Bound at 872.2 feet, then crossed another cart path at 904 feet, then over a wall at 928.4 feet, then crossing an old barway at 968 feet, onto land of Charles W. and Hattie Smith, then at 980 feet we came to an old bound 36.5 feet to N. of the line then we crossed a cart path at 1039.2 feet, and after passing through a swamp and over a fence we placed The

AGREEMENTS

Seventh Bound at 2192.2 feet, leaving this we passed over a wall onto mowing land of 2271 feet a little farther on up the hill we passed over another wall into a pasture, then at 2757.4 feet we crossed the wall on the West side of the old "Hartford and Norwich Turnpike" and placed the Eighth Bound by the side of this wall at 3198.8 feet, then we crossed the walk on the East side of the road at 3257.7 feet, and at 4060.8 then a wall at 4458.3 feet then farther on passing a pile of stones on a large rock we placed the Tenth Bound at 5032 feet, then came to a post and rail fence at 5079.5 feet an old bound at 5524 feet and the Eleventh Bound at 6352 feet we passed an old bound at 7642 feet, 2 feet west of the line, and placed the Twelfth Bound by the side of the Willimantic Road at 7672 feet then passing the (so-called) Cook House at 7784.1 feet and crossing the railroad track, at 8657 feet, we placed the Thirteenth Bound at 8937 feet, on W. side of highway and at 10257 feet came to the White Oak Tree the corner of Andover and Coventry, making the whole distance from the Hebron Corner of Coventry 15485.2 feet, or 2 Miles, 298 rods 12, links.
