The Town honored our Veterans at the Columbia Veterans Day Celebration on November 11th. The program included two Columbia residents who served in WWII, Mr. Emil Sadlon and Mr. Russell Inzinga. Mr. Inzinga served as a U.S. Merchant Marine, and Mr. Emil Sadlon served in the Armed Forces. We thank both Emil Sadlon and Russell Inzinga for their WWII service, and for their enduring service to our town.

We also would like to thank the Columbia Senior Organization and Sheron Smith for providing a wonderful luncheon after the ceremony, the Columbia Scouts for their assistance, Ingrid Wood, Town Historian for her participation in reading the Veterans Day Proclamation, Reverend MaryAnn Purtill from the Columbia Congregational Church for the Invocation and Bill and Melissa Rood from November Sound who provided the music.

TOWN OF COLUMBIA OFFICE OF THE FIRST SELECTMAN & TOWN ADMINISTRATOR

Recently we were notified by a resident that an injured owl was on the side of the road on Route 6. DPW Maintainer, Fred Bednarczyk helped to move the owl to safety and held on to it until the owl was turned over to a licensed raptor rehab specialist. The latest update that we have on the owl is it is resting quietly and hopefully will be on the mend.

EVERBRIDGE NOTIFICATIONS: We will from time to time issue an Everbridge Notification with a message from the First Selectman, Steven M. Everett to help keep you informed. If you would like to sign up for Everbridge Notifications please go to the Town's website and on the [Everbridge Notifications](#) tab.

EMAIL NOTIFICATIONS: To receive Town news please go to the Town's website and click on the [Email Notifications](#) tab.

If you need assistance please do not hesitate to call the Town Administrative Office or the First Selectman at 860-228-0110 or email us at townadministrator@columbiact.org.

TOWN DEPARTMENT NEWS AND INFORMATION

DEPARTMENT OF PUBLIC WORKS:

SNOW REMOVAL RULES:

- Make sure that your roadside trash bins stay on private property and do not venture out into the road. The town is not liable for any damage as a result of bins that get damaged by passing traffic.
- Refrain from plowing and blowing snow into or across roadways or onto town rights-of-way. Doing so creates unsafe conditions for drivers and vehicles.
- Refrain from parking in town roadways or in Municipal and School Parking lots during snow events.
- Refrain from using snowmobiles, using all-terrain vehicles and engaging in snow skiing on town roadways.
- When driving, **please stay at least 200 feet behind any snow plow** and never pass a plow truck as visibility is limited for the snow plow operator.
- DPW's first responsibility is to clear the roads for safe passage. While snow plow operators try to minimize the amount of snow that is plowed into driveways, it is the owner's responsibility to clear their driveway opening. To avoid extra shovel work, try to shovel after the snow plow has driven by, and shovel the snow to the right side of your driveway as you face the road. Below is a Clearing Your Driveway diagram that recommends how best to clear your driveway.

TOWN DEPARTMENT NEWS AND INFORMATION

DEPARTMENT OF PUBLIC WORKS (CONTINUED): The Public Works Department is finishing up the culvert repair on Erdoni Road and should be completed by Friday December 2nd. The culvert repair project was a tremendous undertaking and the DPW crew did a terrific job with this project!

MAILBOXES: Please check your mailboxes before the winter snow plowing operation begins. The town's policy is that if the snowplow itself hits the mailbox it would be repaired, replaced, or offer the resident a check for \$25.00 toward its replacement. Replacement will occur after the winter season and subject to Department of Public Works schedule. However, if the snow that is discharged from the snowplow knocks down your mailbox the Public Works Department will not repair or replace it as determined by the Director of Public Works.

SAND: Free sand (up to 2 five-gallon containers) is available to residents during the winter months located behind the Swap Shop at the Transfer Station. Residents must provide their own container for the sand. Transfer Station is open on Wednesday's and Saturday's from 8:00-4:00 pm.

NON-MUNICIPAL SERVICES PROVIDERS AND NON-PROFIT NEWS AND INFORMATION

SAXTON B. LITTLE LIBRARY: A library is a place that is a repository of information and gives every citizen equal access to it. That includes health information. And mental health information. It's a community space. It's a place of safety, a haven from the world. - Author, Neil Gaiman

The above words were said by an author who has never visited our Library or our town. But its sentiment has been shared by many in our community. During COVID and now as we slowly make our way towards 'normal', it has been our pleasure to offer information and distraction, a sympathetic ear and supportive assistance. Daily we do our best to embody Mr. Gaiman's observation, making SBL a safe haven for the town of Columbia.

Over the year, we have received flowers and chocolates, kind words and cookies! We appreciate the thanks you've given! We ask you now, if you can, to offer financial support to help us keep moving forward. A donation to the Library is support for yourself and your neighbors.

If you can contribute to our annual giving campaign, we assure you that all of your donation goes directly back into the ongoing support of our community. Since we are a 501(3)c non-profit organization, your donations are tax deductible.

We also remind all that we have an extensive memorial and tribute program, be that a dedicated book for a special occasion or remembrance or legacy support.

From all of us at the Saxton B. we wish you a very peaceful, happy and safe holiday season!
