REQUEST FOR QUALIFICATIONS AND PROPOSALS: Invasive Species Control Work

ADDENDUM No. 1

DATE: 1/17/18

To All Potential Bidders: The following questions have been received from organizations indicating intent to bid on the Invasive Species Control Work RFP. Through this web page, these questions and the Town of Columbia's answers are made available to all bidders.

Questions and Answers

Q1. It states you are looking to treat the Phragmites but the pictures show cattail intermixed within some of the areas. Is cattail something you were looking to manage as well?

A1. We are requesting only the services to control non-native *Phragmites australis*, we would not be requiring that the cattails intermixed within the areas be managed.
