

## Lake Management Advisory Committee

### Meeting Minutes 7-10- 2018 Beckish Senior Center

- Call to Order:** The meeting was called to order by Chairman Michael Gnazzo Wednesday, at 7:43 p.m.
- Present:** Michael Gnazzo, David Vanderbilt, Henry Beck, Phyllis Dunn, Karl Then, Mary Roickle, Bob Powell, James Santos, Steve Harrington, John Burrell
- Excused:** Carl Foster, Dan O'Neil
- Minutes:** Minutes of the last meeting were accepted. All in favor.
- Guest Speakers:** None
- Audience of Citizens:** None
- Communications:** None
- Committee Reports:**
- Dam:** Water Level - 1/2inch over spillway lake down 1”  
Conditions – very dry  
Gate closed  
Weep Holes  
1 -15% 2-15%  
Temperature – 81 degrees
- Water Quality:** No Flow from Erdoni  
Extremely Clear
- Fishing:** Excellent- Pickerel, Bass, Blue Gill
- Access & Safety:** **Access to lake on watercraft other than power boats.** Henry Beck made a motion that we recommend to the Board of Selectmen, as a first step, allow only people with beach passes to rent the recreational watercrafts. Lake Management Committee will further study the issue concerning access to the lake on watercraft other than motor boats. 2<sup>nd</sup> Robert Powell All voted in favor.

Dogs on leashes are allowed on the boat ramp.  
Dogs are not allowed on the beach.

**Page (2) LMAC**

**Water Shed Watershed Management Plan:** Nothing to report

**Storm Water Culverts:** Nothing to report

**Columbia Boat & Water Regulations:**

161 Power Boats inspected to date  
Michael Leister will be inspecting the fire hydrant on Erdoni Rd.

**Dam Emergency Plan:**

Nothing to report

**Permit Review:**

LMAC is recommending a moratorium on issuing permits for boatlifts till the end of the boating season. Further time is needed to investigate these lifts and make recommendations.  
LMAC recommends denial of this specific application for the boatlifts until LMAC can make recommendations for guidelines.

**Old Business:**

No permanent rafting of boatlifts on the lake including easy stacking.

**New Business:**

**Macrophyte in lake-** A dense grove of this plant was found on the north side of the center island. It has been referred out to Dr Kortman for his assessment. See below

**Pond Weed – *Potamogeton perfoliatus* (claspingleaf pondweed,<sup>[2]</sup> perfoliate pondweed,<sup>[3]</sup> redhead grass<sup>[4]</sup>)** is a perennial aquatic plant in the family Potamogetonaceae occurring in both standing and flowing freshwater habitats. It is widely distributed globally, occurring in all continents except South America and Antarctica.

**Adjournment:**

Motion to adjourn Mary Roickle 2<sup>nd</sup> by Henry Beck All in favor.  
Meeting Adjourned **9:35 PM**
